VOL:III | Made Possible by Our Students

A Meaningful Name For Our Conference Hall:

Dr. Yiğit GENÇBAY

(08.03.2000 - 21.01.2025)

*Bolu Kartalkaya'da çıkan yangında,
insanları kurtarmak için
hayatını hiçe sayan,
cesaretiyle ve fedakârlığıyla
kalplerimize kazınan
değerli öğrencimiz.*

*İnsan sevgisi, çatışkanlığı,
mütevazılığı ve yardımseverliğiyle
çevresine daima örnek oldu.*

*Kısa ömrüne büyük iyilikler sığdıran
bu kahramanın adı,
bu salonda cesaretin,
merhametlin ve insanlığın
en yüce değerlerini
gelecek nesillere
hatırlatmaya devam edecektir.*

Excitement Of The Karaoke Event At Our School

The karaoke event organized at our school to contribute to our students' social and artistic development was carried out with great interest and enthusiasm.

Mask Painting Activity at Our School

As Yaşamfen Educational Institutions, we held a special inauguration ceremony of great meaning and significance. Our conference hall has been named after Dr. Yiğit GENÇBAY, who lost his life in the Bolu Kartalkaya fire.

A Meaningful Name For Our Conference Hall:

Dr. Yiğit GENÇBAY

As Yaşamfen Educational Institutions, we held a special inauguration ceremony of great meaning and significance. Our conference hall has been named after Dr. Yiğit GENÇBAY, who lost his life in the Bolu Kartalkaya fire.

Written by English Teacher
Sevda DENİZ

During the emotional ceremony, the late Dr. Yiğit GENÇBAY's beloved mother Serpil GENÇBAY and father Abdurrahman GENÇBAY, along with his family, relatives, and friends, were with us. Our hall was filled with both sorrow and a profound atmosphere of respect. While an indescribable pain was felt in every heart, there was also a strong sense of gratitude and loyalty.

The founders of Yaşamfen Educational Institutions, Mr. Serkan BARDAK and Mr. Mehmet ÖZDİL, emphasized in their speeches the importance of keeping Dr. Yiğit GENÇBAY's name alive in our school. They expressed that

preserving the name of a physician who passed away at such a young age within an institution of learning under the roof of Yaşamfen Educational Institutions would serve both as a precious memory and as a powerful source of inspiration for future generations.

The speeches delivered by his mother Serpil GENÇBAY and father Abdurrahman GENÇBAY deeply moved everyone in attendance. Although the pain of losing a child is beyond description, their composure and the spiritual consolation they felt in seeing their son's name honored in such a meaningful way touched all of our hearts.

This meaningful name is no longer merely a name written on a sign; it will live on in the memory of Yaşamfen Educational Institutions as a symbol of dedication, service to humanity, and dreams left unfinished at a young age. At every conference and every event, our students will see this name and perhaps one day remember the value of leaving a mark in life through kindness, effort, and perseverance.

We commemorate Dr. Yiğit GENÇBAY with mercy and gratitude and sincerely wish that his name will live on forever within Yaşamfen Educational Institutions.

Our Interview With Our School Principal, **Mrs. Tuğba AKKOÇ**

Dear Principal

It would be very valuable for us to learn your opinions about our school's management, educational philosophy, and the work done for our students. Thank you for your time. If you wish, I can start with the questions.

QUESTION1- What is your biggest goal regarding our school?

Mrs. AKKOÇ; My biggest goal is to ensure that the school becomes a reliable brand and establishes a strong educational culture, because the first years are the period in which a school's reputation, system, and the trust it builds with parents are shaped. By creating sustainable educational quality, a strong institutional culture, and high parental trust, we aim to make the school a respected and preferred brand.

QUESTION2- What is the most distinctive feature that sets our school apart from other schools?

Mrs. AKKOÇ; Our most significant difference is that we provide education in classes of 12 students. We carry out the learning process in our school with a regular homework system that we call PÇF, or Planned Study Workbooks. In addition, with a student-centered education approach that recognizes each student as an individual and focuses on revealing their potential, we aim for each student to discover and develop their strengths.

QUESTION3- In what areas do you most value the development of students?

Mrs. AKKOÇ; I prioritize our students becoming responsible, self-confident, and thoughtful individuals. Academic success is certainly important, but it is even more valuable for students to be problem-solving, self-expressive, and prepared for life.

QUESTION4- What was the biggest challenge encountered during this period?

Mrs. AKKOÇ; The biggest challenge was strengthening parental trust while maintaining the school's quality of education and achieving a sustainable number of students. It takes time for new schools to prove themselves. Therefore, continuously increasing both academic success and parental satisfaction is one of the most important challenges in this process. Along with the school's rapid growth, it is crucial to establish an institutional system and a strong school culture. Standardizing the quality of education and ensuring all teachers work towards the same vision is extremely important in this process.

Thank you so much, Mr. Director, for sincerely answering our questions and for taking the time to speak with us. The information you provided was invaluable.

ble. Thank you again for participating in our interview, and we wish you continued success in your work.

Excitement Of The Karaoke Event At Our School

The karaoke event organized at our school to contribute to our students' social and artistic development was carried out with great interest and enthusiasm. The event, which attracted strong participation from our students, was filled with colorful and enjoyable moments.

Throughout the event, our students had the opportunity to perform their favorite songs on stage. Each student who took the stage received applause for their courage and performance, while their friends supported them by keeping the rhythm and singing along. As a result, both fun and unforgettable moments were experienced.

The karaoke event contributed to increasing our students' self-confidence, helping them express themselves, and giving them valuable stage experience. The participation of students from different grade levels strengthened the sense of unity and togetherness within our school. Our students not only

showcased their talents but also had the chance to spend enjoyable time with their friends.

Throughout the event, respect, solidarity, and sportsmanship were at the forefront. The students who performed were motivated by applause, and the audience enthusiastically shared in the excitement of the event.

Our school plans to continue organizing such social and cultural activities in the coming terms to support the well-rounded development of our students. We would like to thank all the students who participated and the teachers who contributed to the organization of this meaningful event.

Mask Painting Activity at Our School

A Mask Painting Activity was organized at our school to help our students develop their creativity and enjoy a pleasant time. During the event, different mask designs were distributed to the students, and unique artworks were created using

various paints and decorative materials.

Our students had the opportunity to improve their fine motor skills while expressing their imagination through colors. Joyful and fun moments were experienced in our

classrooms, and the beautiful masks created were displayed on the school board.

We congratulate all the students who participated and thank our teachers who contributed to this wonderful activity.

Interclass Debate Activity at Our School

The Interclass Debate Activity held at our school was an enjoyable event where students showcased their thinking and expression skills.

The Interclass Debate Activity held at our school was an enjoyable event where students showcased their thinking and expression skills.

Students prepared on the given topics and defended their opinions with strong arguments. Throughout the debate, they expressed their ideas confidently and created

a respectful discussion environment by listening carefully to the opposing side.

Thanks to this activity, students had the opportunity to improve their critical thinking, effective speaking, and teamwork skills.

We would like to thank our teachers and all the students who participated.

A Colorful Day at Our School: **Bag Painting Activity**

A Bag Painting Activity was held at our school, giving students the opportunity to showcase their creativity.

During the event, our students decorated their own canvas bags using their imagination. Some drew nature-themed designs, some painted their favorite cartoon characters, while others decorated their bags with meaningful quotes. The

results were unique and full of color.

Thanks to this activity, students not only had an enjoyable time but also improved their hand skills. At the same time, using reusable canvas bags helped raise awareness about environmental responsibility.

As paints, brushes, and laughter came together in the classrooms, joyful moments were shared by everyone. At the end of the activity, each student proudly carried their own personally designed bag.

Excitement of the Dart Activity at Our School

The dart activity organized at our school to contribute to our students' social, athletic, and mental development was carried out with great excitement and enthusiasm. The event, which attracted strong interest from our students, included both enjoyable and educational moments.

Since darts is a sport that requires attention, patience, focus, and hand-eye coordination, it provided a highly productive experience for our students. Participants took their turns according to the established rules, while their friends supported them with applause. The happiness of hitting the target accurately was reflected on their faces, while missed shots increased their determination and motivation.

Throughout the event, sportsmanship and the spirit of fair play were at the forefront. Our students learned not only how to compete but also how to congratulate one another. The participation of students from different grade levels strengthened interaction and unity among them. Thus, the event became not only a sporting activity but also an environment that reinforced social bonds.

At the end of the competition, the students who placed in the rankings were congratulated and their achievements were appreciated. However, the most important outcome of the event was that our students had an enjoyable time, increased their self-confidence, and once again experienced the value of acting together.

Our school plans to continue organizing such activities in the coming terms to support the well-rounded development of our students. We would like to thank all the students who participated and the teachers who contributed to the organization of this meaningful event.

Excitement of the Volleyball Tournament at Our School

A volleyball tournament was organized at our school to increase students' participation in sports activities and to strengthen team spirit. Teams formed by students from different classes competed with great excitement and sportsmanship.

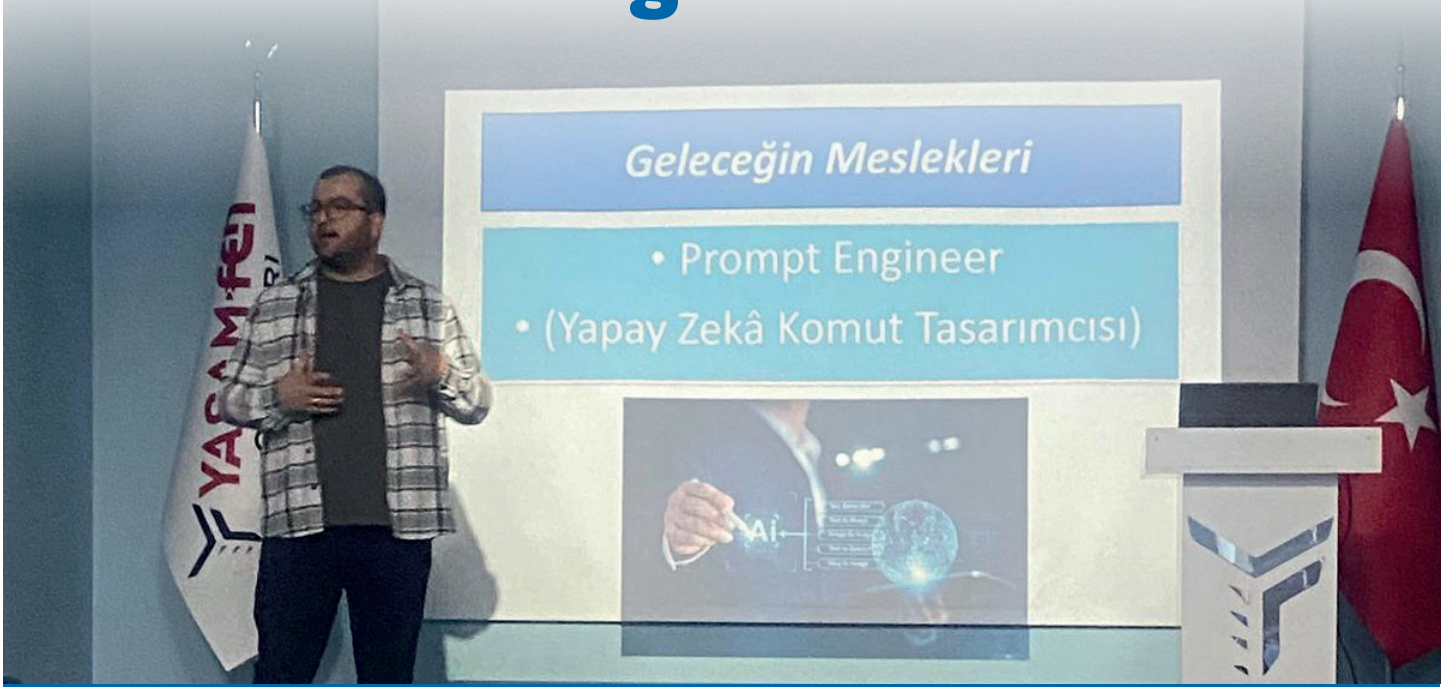

Throughout the tournament, our students had the opportunity to showcase their skills and once again experienced the importance of teamwork and

solidarity.

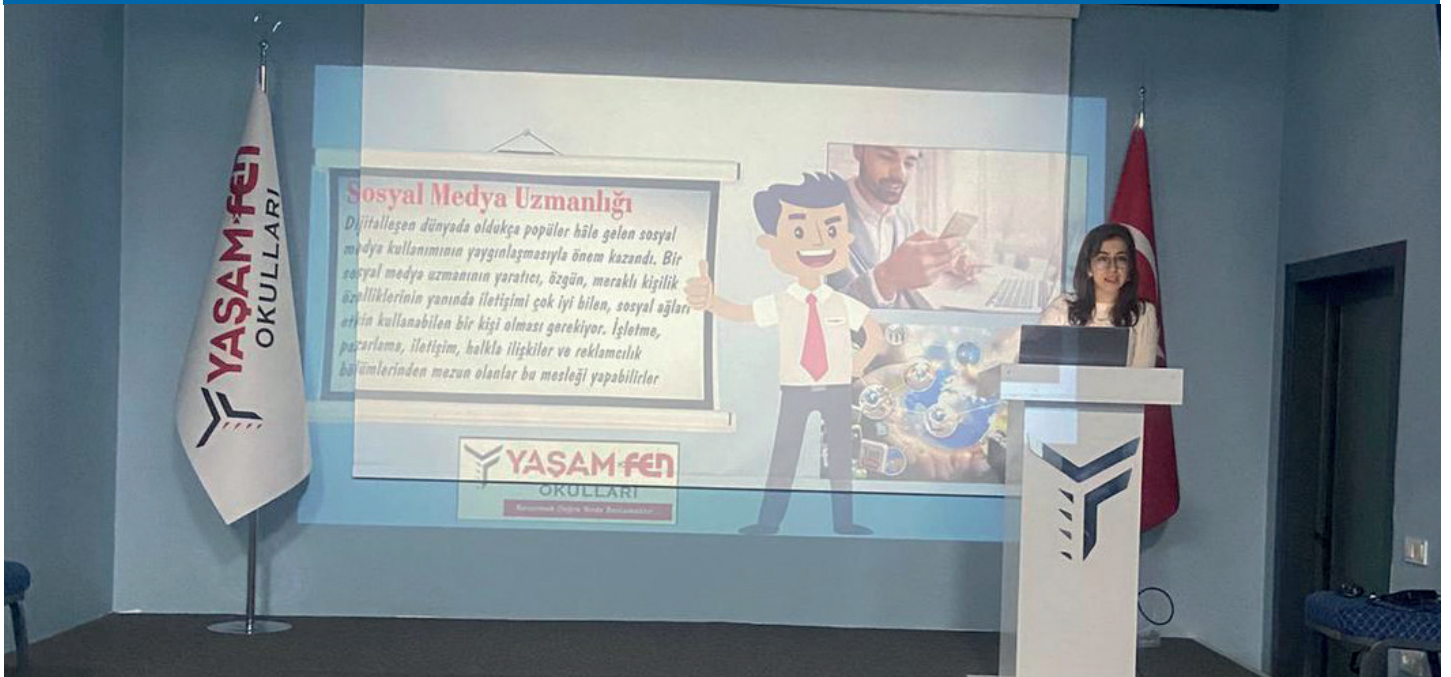

We would like to thank our teachers for this activities.

Presentation on Future Professions and Artificial Intelligence at Our School

An informative presentation on Future Professions and Artificial Intelligence was delivered at our school by our teachers.

During the presentation, new career fields emerging with the rapid development of technology and the impact of artificial intelligence on our daily lives were discussed. Students learned about professions that will become important in the future and also had the opportunity to understand the role of artificial intelligence in areas such as education, healthcare, and communication.

Thanks to engaging examples and explanations, students became more aware and gained new ideas about career planning.

We would like to thank our teachers for this valuable presentation.

A SHORT BREAK

Another term has come to an end. After a period filled with intense classes, exams, projects, and assignments, it's time for a short break. We all felt tired at times, struggled at others, but still tried our best. The report cards we receive today represent not only our grades but also the effort, patience, and dedication we have shown.

What we learned during this term wasn't just limited to the information in the pages of books. We also learned patience, teamwork, and the importance of striving to achieve our goals. Some days we felt very successful, and other days we realized we needed to work

harder. But the important thing is never to give up and always to strive to take another step forward.

Now, a short but valuable holiday awaits us. This holiday will be an opportunity for all of us to rest, have some fun, and rejuvenate ourselves. It's a great time to rest our minds after busy days, spend time with loved ones, and prepare stronger for the new term.

We must remember that success is not just about the grades on a report card. True success lies in working tirelessly, learning from our mistakes, and striving to be a better version of

ourselves every day. Perhaps we didn't achieve the results we wanted this term, but that doesn't mean we can't make a fresh start in the second term. Every new day is a new opportunity.

Now it's time to take a breather. Let's rest, read books, dedicate time to our hobbies, and take care of ourselves. Because a rested mind and a motivated heart open the door to much greater success in the new term.

Wishing you all a stronger, more hopeful, and more determined start to the new term... We wish you all happy holidays and a successful second term.
